Consult your physician prior to using this product if you are taking any prescription or over-the-counter medication or if you have heart disease, thyroid disease, diabetes, high blood pressure or any other medical condition.

KEEP OUT OF REACH OF CHILDREN.

TURN FAT INTO ENERGY!

Carnitine Core assists in transporting long-chain fatty acids into the mitochondria (the cells' "power plant") to make this process more effective. This amplifies an athlete's ability to metabolize fat into muscular energy. While the body produces carnitine naturally, many athletes supplement their intake. Raspberry ketones act as a natural energy booster for anybody on a low-calorie diet.*
